Aloha Faculty & Staff,

As Chair of the Senate Committee on Higher Education, I will be conducting a statewide higher education tour this fall to visit all 10 University of Hawai'i System campuses and affiliated education centers.

I will be visiting the University of Hawai'i Maui College campus on Wednesday, October 18, 2017. During that campus visit, I will hold a faculty and staff discussion in Ka'a'ike 105BCD from 1:45pm to 2:30pm.

If your schedule allows, I would highly encourage you to attend and participate in a discussion to address important issues concerning University of Hawai'i Maui College. Information obtained at this discussion will help shape the Senate Committee on Higher Education's policies, priorities and legislative initiatives for the upcoming 2018 Legislative Session.

If you have any questions, please do not hesitate to contact Ikaika Mahoe at (808) 586-6760 or via email at i.mahoe@capitol.hawaii.gov.
