

Stop Flu at School  
Newsletter Article

Attention: Parents of Students in Kindergarten through Eighth Grade  
Stop Flu at School consent forms due 9/9/2011!

Vaccination is a child's best protection against influenza (flu). The Department of Health will conduct its annual school-based flu vaccination program, Protect Hawaii's Keiki: Stop Flu at School, this fall. All students, kindergarten through eighth grade, attending participating schools statewide are able to receive a free flu vaccination at school. Visit [http://flu.hawaii.gov/SFAS\\_schedule.html](http://flu.hawaii.gov/SFAS_schedule.html) for the list of participating schools and their clinic dates.

Consent forms and additional information about the Stop Flu at School program will be distributed through participating schools in August.

Participating is easy! Just read the information packet, choose the type of flu vaccine (nasal spray or shot) that you want your child to receive, complete the appropriate consent form, sign, date, and return the consent form to your child's teacher by September 9, 2011.

For more information about the Stop Flu at School program, visit <http://flu.hawaii.gov/SFAS.html> or call 2-1-1.
